

Saturday 21st and Sunday 22nd July 2018 10am - 5pm

In this idyllic setting, thirty studios offer an insight into the creative process and the opportunity to “have a go”

In addition to the fine arts of painting and sculpture, skilled craftwork in glass, ceramics, weaving, calligraphy, guitar making, jewellery, textiles, printing and metalwork can be seen here during Open Studios. There will also be an insight into architectural skills and the work of graphic and product designers. There will be opportunities to “have a go” at various crafts and there will be an Art Play Tent where children of all ages can express themselves creatively.

Refreshments including home made cakes and a barbecue will be available.
